Chapter 22.200**TITLE, PURPOSE AND SCOPE****22.200.010 Title.**

The ordinance codified in Chapters 22.200 through 22.208 of this subtitle shall be known and may be cited as the “Housing and Building Maintenance Code” and is referred to herein as “this Code.”

22.200.020 Declaration of findings and intent.

- A. It is found and declared that there exist, within the City of Seattle, buildings together with appurtenant structures and premises that are substandard, deteriorating, in danger of causing or contributing to the creation of slums or otherwise blighted areas, and hazardous to the health, safety and general welfare of the public.
- B. It is further found and declared that these conditions are the result of, among other causes: inadequate original construction; dilapidation; failure to repair; lack of proper sanitary facilities and maintenance; structural defects; vacant or abandoned buildings or properties; overcrowding; electrical, mechanical and other defects increasing the hazards of fire, accidents or other calamities; uncleanness; inadequate heating, lighting and ventilation.
- C. It is further found that maintenance of the housing stock is critical to the health, safety and welfare of the general public and it is the intent of this Code to assure the preservation of the existing supply of housing in The City of Seattle by establishing minimum standards and an effective means for enforcement and by encouraging the rehabilitation and re-use of existing structurally sound buildings.
- D. It is further found and declared that arbitrary eviction of responsible tenants imposes upon such tenants the hardship of locating replacement housing and provides no corresponding benefit to property owners.
- E. It is further found and declared that tenants who do not respect the rights of others impose unnecessary hardship.
- F. It is the intent of this Code that relocation assistance payments required by Subtitle II of Title 22 shall be in addition to a refund from the property owner of any deposits and of other sums to which a tenant is lawfully entitled under state or federal law.
- G. The express purpose of this Code is to provide for and promote the health, safety and welfare of the general public, and not to protect individuals or create or otherwise establish or designate any particular class or group of persons who will or should be especially protected or benefited by the terms of this Code. The obligation of complying with the requirements of this Code and the liability for failing to do so is hereby placed upon the property

owner and/or occupant or persons responsible for the condition of the buildings or premises.

The tenant fails to comply with a three (3) day notice to pay rent or vacate pursuant to RCW 59.12.030(3); a ten (10) day notice to comply or vacate pursuant to RCW 59.12.030(4); or a three (3) day notice to vacate for waste, nuisance (including a drug-related activity nuisance pursuant to RCW Chapter 7.43) or maintenance of an unlawful business or conduct pursuant to RCW 59.12.030(5);
 - b. The tenant habitually fails to pay rent when due which causes the owner to notify the tenant in writing of late rent four (4) or more times in a twelve (12) month period;
 - c. The tenant fails to comply with a ten (10) day notice to comply or vacate that requires compliance with a material term of the rental agreement or that requires compliance with a material obligation under RCW 59.18;
 - d. The tenant habitually fails to comply with the material terms of the rental agreement which causes the owner to serve a ten (10) day notice to comply or vacate three (3) or more times in a twelve (12) month period;
 - e. The owner seeks possession so that the owner or a member of his or her immediate family may occupy the unit as that person's principal residence and no substantially equivalent unit is vacant and available in the same building. "Immediate family" shall include the owner's domestic partner registered pursuant to Section 1 of Ordinance 117244 or the owner's spouse, parents, grandparents, children, brothers and sisters of the owner, of the owner's spouse, or of the owner's domestic partner. There shall be a rebuttable presumption of a violation of this subsection if the owner or a member of the owner's immediate family fails to occupy the unit as that person's principal residence for at least sixty (60) consecutive days during the ninety (90) days immediately after the tenant vacated the unit pursuant to a notice of termination or eviction using this subparagraph as the cause for eviction;
 - f. The owner elects to sell a single-family dwelling unit and gives the tenant at least sixty (60) days written notice prior to the date set for vacating, which date shall coincide with the end of the term of a rental agreement, or if the agreement is month to month, with the last day of a monthly period. For the purposes of this section, an owner "elects to sell" when the owner makes reasonable attempts to sell the dwelling within thirty (30) days after the tenant has vacated, including, at a minimum, listing it for sale at a reasonable price

- with a realty agency or advertising it for sale at a reasonable price in a newspaper of general circulation. There shall be a rebuttable presumption that the owner did not intend to sell the unit if: (i) within thirty (30) days after the tenant has vacated, the owner does not list the single-family dwelling unit for sale at a reasonable price with a realty agency or advertise it for sale at a reasonable price in a newspaper of general circulation, or (ii) within ninety (90) days after the date the tenant vacated or the date the property was listed for sale, whichever is later, the owner withdraws the rental unit from the market, rents the unit to someone other than the former tenant, or otherwise indicates that the owner does not intend to sell the unit;
- g. The tenant's occupancy is conditioned upon employment on the property and the employment relationship is terminated;
 - h. The owner seeks to do substantial rehabilitation in the building; provided that, the owner must obtain a tenant relocation license if required by SMC Chapter 22.210 and at least one (1) permit necessary for the rehabilitation, other than a Master Use Permit, before terminating the tenancy. Any tenants dispossessed pursuant to this provision shall be notified in writing by the owner at the time of vacating the unit that the tenant has a right of first refusal for the rehabilitated unit. The owner shall notify the tenant in writing, mailed by regular mail to the last address provided by the tenant, when the unit is ready to be reoccupied, and the tenant shall exercise such right of first refusal within thirty (30) days of the owner's notice;
 - i. The owner elects to demolish the building, convert it to a condominium or a cooperative, or convert it to a nonresidential use; provided that, the owner must obtain a tenant relocation license if required by SMC Chapter 22.210 and a permit necessary to demolish or change the use before terminating any tenancy;
 - j. The owner seeks to discontinue use of a housing unit unauthorized by Title 23 of the Seattle Municipal Code after receipt of a notice of violation thereof. The owner is required to pay relocation assistance to the tenant(s) of each such unit at least two (2) weeks prior to the date set for termination of the tenancy, at the rate of:
 - i. Two Thousand Dollars (\$2,000.00) for a tenant household with an income during the past twelve (12) months at or below fifty percent (50%) of the County median income, or
 - ii. Two (2) months' rent for a tenant household with an income during the past twelve (12) months above fifty percent (50%) of the County median income;
 - k. The owner seeks to reduce the number of individuals residing in a dwelling unit to comply with the maximum limit of individuals allowed to occupy one (1) dwelling unit, as required by SMC Title 23, and:
 - i. (A) The number of such individuals was more than is lawful under the current version of SMC Title 23 or Title 24 but was lawful under SMC Title 23 or 24 on August 10, 1994, (B) That number has not increased with the knowledge or consent of the owner at any time after August 10, 1994, and (C) The owner is either unwilling or unable to obtain a permit to allow the unit with that number of residents,
 - ii. The owner has served the tenants with a thirty (30) day notice, informing the tenants that the number of tenants exceeds the legal limit and must be reduced to the legal limit,
 - iii. After expiration of the thirty (30) day notice, the owner has served the tenants with and the tenants have failed to comply with a ten (10) day notice to comply with the limit on the number of occupants or vacate, and
 - iv. If there is more than one (1) rental agreement for the unit, the owner may choose which agreements to terminate; provided that, the owner may either terminate no more than the minimum number of rental agreements necessary to comply with the legal limit on the number of occupants, or, at the owner's option, terminate only those agreements involving the minimum number of occupants necessary to comply with the legal limit;
 - l. i. The owner seeks to reduce the number of individuals who reside in one (1) dwelling unit to comply with the legal limit after receipt of a notice of violation of the SMC Title 23 restriction on the number of individuals allowed to reside in a dwelling unit, and:
 - (A) The owner has served the tenants with a thirty (30) day notice, informing the tenants that the number of

- tenants exceeds the legal limit and must be reduced to the legal limit; provided that no thirty (30) day notice is required if the number of tenants was increased above the legal limit without the knowledge or consent of the owner,
- (B) After expiration of the thirty (30) day notice required by subsection (A) above, or at any time after receipt of the notice of violation if no thirty (30) day notice is required pursuant to subsection (A), the owner has served the tenants with and the tenants have failed to comply with a ten (10) day notice to comply with the maximum legal limit on the number of occupants or vacate, and
 - (C) If there is more than one (1) rental agreement for the unit, the owner may choose which agreements to terminate; provided that the owner may either terminate no more than the minimum number of rental agreements necessary to comply with the legal limit on the number of occupants, or, at the option of the owner, terminate only those agreements involving the minimum number of occupants necessary to comply with the legal limit.
- ii. For any violation of the maximum legal limit on the number of individuals allowed to reside in a unit that occurred with the knowledge or consent of the owner, the owner is required to pay relocation assistance to the tenant(s) of each such unit at least two (2) weeks prior to the date set for termination of the tenancy, at the rate of:
 - (A) Two Thousand Dollars (\$2,000.00) for a tenant household with an income during the past twelve (12) months at or below fifty percent (50%) of the County median income, or
 - (B) Two (2) months' rent for a tenant household with an income during the past twelve (12) months above fifty percent (50%) of the County median income;
 - m. The owner seeks to discontinue use of an accessory dwelling unit for which a permit has been obtained pursuant to SMC Section 23.44.041 after receipt of a notice of violation of the development standards provided in that section. The owner is required to pay relocation assistance to the tenant household residing in such a unit at least two (2) weeks prior to the date set for termination of the tenancy, at the rate of:
 - i. Two Thousand Dollars (\$2,000.00) for a tenant household with an income during the past twelve (12) months at or below fifty percent (50%) of the County median income, or
 - ii. Two (2) months' rent for a tenant household with an income during the past twelve (12) months above fifty percent (50%) of the County median income;
 - n. An emergency order requiring that the housing unit be vacated and closed has been issued pursuant to SMC Section 22.206.260 and the emergency conditions identified in the order have not been corrected;
 - o. The owner seeks to discontinue sharing with a tenant the owner's own housing unit, i.e., the unit in which the owner resides, or seeks to terminate the tenancy of a tenant of an accessory dwelling unit authorized pursuant to SMC Section 23.44.041 that is accessory to the housing unit in which the owner resides, so long as the owner has not received a notice of violation of the development standards of SMC Section 23.44.041 regarding that unit. If the owner has received such a notice of violation, subsection m applies;
 - p. A tenant, or with the consent of the tenant, his or her subtenant, sublessee, resident or guest, has engaged in criminal activity on the premises, or on the property or public right-of-way abutting the premises, and the owner has specified in the notice of termination the crime alleged to have been committed and the general facts supporting the allegation, and has assured that the Department of Construction and Land Use has recorded receipt of a copy of the notice of termination.
- For purposes of this subsection a person has "engaged in criminal activity" if he or she:
- i. Engages in drug-related activity that would constitute a violation of RCW Chapters 69.41, 69.50 or 69.52, or
 - ii. Engages in activity that is a crime under the laws of this state, but only if the activity substantially affects the health or safety of other tenants or the owner.
- 2. Any rental agreement provision which waives

or purports to waive any right, benefit or entitlement created by this subsection C shall be deemed void and of no lawful force or effect.

3. With any termination notices required by law, owners terminating any tenancy protected by this section shall advise the affected tenant or tenants in writing of the reasons for the termination and the facts in support of those reasons.
4. If a tenant who has received a notice of termination of tenancy claiming subsection 1e, 1f, or 1m of this section as the ground for termination believes that the owner does not intend to carry out the stated reason for eviction and makes a complaint to the Director, then the owner must, within ten (10) days of being notified by the Director of the complaint, complete and file with the Director a certification stating the owner's intent to carry out the stated reason for the eviction. The failure of the owner to complete and file such a certification after a complaint by the tenant shall be a defense for the tenant in an eviction action based on this ground.
5. In any action commenced to evict or to otherwise terminate the tenancy of any tenant, it shall be a defense to the action that there was no just cause for such eviction or termination as provided in this section.
6. It shall be a violation of this section for any owner to evict or attempt to evict any tenant or otherwise terminate or attempt to terminate the tenancy of any tenant using a notice which references subparagraphs 1e, 1f, 1h, 1k, 1l, or 1m of this subsection C as grounds for eviction or termination of tenancy without fulfilling or carrying out the stated reason for or condition justifying the termination of such tenancy.
7. An owner who evicts or attempts to evict a tenant or who terminates or attempts to terminate the tenancy of a tenant using a notice which references subparagraphs 1e, 1f, or 1h of this subsection C as the ground for eviction or termination of tenancy without fulfilling or carrying out the stated reason for or condition justifying the termination of such tenancy shall be liable to such tenant in a private right of action for damages up to Two Thousand Dollars (\$2,000.00), costs of suit or arbitration and reasonable attorney's fees.

22.206.170 Duties of tenants.

It shall be the duty of every tenant to:

- A. Maintain in a clean and sanitary condition the part or parts of the building and the premises occupied or controlled by the tenant;

- E. Within a reasonable time, repair or pay for the reasonable cost of repair of all damage to the building caused by the negligent or intentional act of the tenant or the invitees or licensees of the tenant;
- F. Grant reasonable access to the owner of the building for the purpose of inspection by the Director, or maintenance or repairs by the owner in the performance of any duty imposed on the owner by this Code;
- G. Refrain from placing or storing in the building or on the premises thereof any article, substance or material imminently dangerous to the health, safety or general welfare of any occupant thereof or of the public, or which may substantially contribute to or cause deterioration of the building; and
- H. Test according to manufacturer's recommendations and keep in good working condition all smoke detectors in the dwelling unit required by law.

22.206.180 Prohibited acts by owners

A. Except as otherwise required or allowed by this Code or by the Residential Landlord Tenant Act, Chapter 59.18 RCW, it is unlawful for any owner to:

1. Change or temper with any lock or locks on a door or doors used by the tenant; or
2. Remove any door, window, fuse box, or other equipment, fixtures, or furniture; or
3. Request, cause or allow any gas, electricity, water or other utility service supplied by the owner to be discontinued; or
4. Remove or exclude a tenant from the premises except pursuant to legal process; or
5. Evict, increase rent, reduce services, increase the obligations of a tenant or otherwise impose, threaten or attempt any punitive measure against a tenant for the reason that the tenant has in good faith reported violations of this Code to the Department of Design, Construction and Land Use or to the Seattle Police Department, or otherwise asserted, exercised or attempted to exercise any legal rights granted tenants by law and arising out of the tenant's occupancy of the building; or
6. Enter a tenant's housing unit or premises except:
 - a. At reasonable times with the tenant's consent, after giving the tenant:
 - i. At least two (2) days' notice of intent to enter for the purpose of inspecting the premises, making necessary or

- agreed repairs, alterations or improvements, or supplying necessary or agreed services; or
 - ii. At least one (1) day's notice for the purpose of exhibiting the dwelling unit to prospective or actual purchasers, mortgagees, tenants, workers or contractors; or
 - b. In an emergency; or
 - c. In case of abandonment as defined by state law; or
- 7. Prohibit a tenant or the tenant's authorized agent or agents, if accompanied by the tenant, from engaging in the following activities when related to building affairs or tenant organizations:
 - a. Distributing leaflets in a lobby and other common areas and at or under tenants' doors;
 - b. Posting information on bulletin boards, provided that tenants comply with all generally applicable rules of the landlord governing the use of such boards. Such rules cannot specifically exclude the posting of information related to tenant organizing activities if the rules permit posting of other types of information by tenants;
 - c. Initiating contact with tenants;
 - d. Assisting tenants to participate in tenant organization activities;
 - e. Holding meetings, including political caucuses or forums for speeches of public officials or candidates for public office, unattended by management, conducted at reasonable times and in an orderly manner on the premises, held in any community rooms or recreation rooms if these rooms are open for the use of the tenants; provided that the tenant complies with all other generally applicable rules of the landlord governing the use of such rooms. Any generally applicable rules must be written and posted in or near such a room. If a community or recreation room is not available, meetings may take place in common areas, which include a laundry room, hallway or lobby; provided all generally applicable rules of the landlord governing such common areas and applicable fire and safety codes are followed.
- B. The following rebuttable presumptions shall apply in any proceeding to collect a civil penalty for violation of Section 22.206.180 A5.
 - 1. Any owner who takes any action listed in Section 22.206.180 A5 within ninety (90) days after a tenant has in good faith reported violations of this Code (SMC Chapter 22.206) to the Department of Design, Construction and Land Use

or to the Seattle Police Department, or otherwise asserted, exercised or attempted to exercise any legal rights granted tenants by law and arising out of a tenant's occupancy of the building, or within ninety (90) days after any inspection or proceeding by a governmental agency resulting from such legal right asserted, exercised or attempted to be exercised by a tenant, creates a rebuttable presumption affecting the burden of proof that the action was taken for the reason that the tenant had in good faith reported violations of this Code to the Department of Design, Construction and Land Use or to the Seattle Police Department or otherwise asserted, exercised or attempted to exercise any legal rights granted the tenant by law; except that, if at the time an owner gives a notice of termination of tenancy pursuant to Chapter 59.12 RCW, the tenant is in arrears in rent or in breach of any other lease or rental obligation, there is a rebuttable presumption that the landlord's action is neither a reprisal nor retaliatory action against the tenant.

- 2. A tenant who makes a complaint or report to a governmental authority about an owner or owner's property within ninety (90) days after notice of a proposed increase in rent or other action in good faith by the owner creates a rebuttable presumption that the complaint or report was not made in good faith, unless the complaint or report was that the proposed increase in rent or other action was unlawful, in which case no such presumption applies.
- 3. The rebuttable presumption under Section 22.206.180 B1 shall not apply with respect to an increase in rent if the owner, in a notice to the tenant of an increase in rent, specifies reasonable ground for said increase and the notice of said increase does not violate SMC Section 7.24.030 A. (Ord. 120302 § 2, 2001; Ord. 113545 § 5(part), 1987.)

22.206.190 Harassing or retaliating against owner.

- A. Adding or tampering with any lock;
- B. Removing or otherwise interfering with any supplied equipment, fixtures, furniture or services;
- C. Wilfully damaging or causing others to damage the building or premises.

22.206.200 Minimum standards for vacant buildings.

- b. Plumbing fixtures connected to an approved water system, an approved sewage system, or an approved natural gas utility system, not installed or maintained in compliance with applicable codes, shall be removed and the service terminated in the manner prescribed by applicable codes.
- c. Plumbing fixtures not connected to an approved water system, an approved sewage system, or an approved natural gas utility system shall either be connected to an approved system or the fixtures shall be removed and the pipes capped in accordance with applicable codes.

2. Electrical Systems. Electrical service lines, wiring, outlets or fixtures not installed or maintained in accordance with applicable codes shall be repaired, or they shall be removed and the services terminated in accordance with applicable codes.

3. Safety From Fire.

- a. No vacant building or premises or portion thereof shall be used for the storage of flammable liquids or other materials that constitute a safety or fire hazard.
- b. Heating facilities or heating equipment in vacant buildings shall be removed, rendered inoperable, or maintained in accordance with applicable codes. Any fuel supply shall be removed or terminated in accordance with applicable codes.

4. All vacant buildings and their accessory structures shall meet the following standards:

- a. All windows shall have intact glazing or plywood of at least one-quarter inch (1/4") thickness, painted or treated to protect it from the elements, cut to fit the opening, and securely nailed using 6D galvanized nails or woodscrews spaced not more than nine inches (9") on center.
- b. Doors and service openings with thresholds located ten feet (10') or less above grade, or stairways, landings, ramps, porches, roofs, or similarly accessible areas shall provide resistance to entry

equivalent to or greater than that of a closed single panel or hollow core door one and three-eighths inches (1-3/8") thick equipped with a one-half inch (1/2") throw deadbolt. Exterior doors, if openable, may be closed from the interior of the building by toe nailing them to the door frame using 10D or 16D galvanized nails.

- c. There shall be at least one (1) operable door into each building and into each housing unit. If an existing door is operable, it may be used and secured with a suitable lock such as a hasp and padlock or a one-half inch (1/2") deadbolt or deadlatch. All locks shall be kept locked. When a door cannot be made operable, a door shall be constructed of three-quarter inch (3/4") CDX plywood or other comparable material approved by the Director and equipped with a lock as described above.
- d. All debris, combustible materials, litter and garbage shall be removed from vacant buildings, their accessory structures and adjoining yard areas. The building and premises shall be maintained free from such items.
- e. The Director may impose additional requirements for the closure of a vacant building, including but not limited to installation of three-quarter inch (3/4") plywood, brick or metal coverings over exterior openings, when the standards specified in subparagraphs 4a through 4d above are inadequate to secure the building:
 - i. Due to the design of the structure, or
 - ii. When the structure has been subject to two (2) or more unauthorized entries after closure pursuant to the standards specified above, or
 - iii. When the Director determines, in consultation with the Seattle Police Department and the Seattle Fire Department, that the structure may present a substantial risk to the health or safety of the public, or to police or fire personnel if closed to the standards of subparagraphs 4a through 4d above.
- 5. If a building component of a vacant building or a structure accessory to a vacant building does not meet the standards of Section 22.206.060, the component or a portion thereof may be removed in accordance with applicable codes, provided the Director determines that the removal does not create a hazardous condition.
- 6. Interior floor, wall and ceiling coverings in vacant structures need not be intact so long as the Director determines they do not present a haz-

- ard. If a hole in a floor presents a hazard, the hole shall be covered with three-quarter inch (3/4") plywood, or a material of equivalent strength, cut to overlap the hole on all sides by at least six inches (6"). If a hole in a wall presents a hazard, the hole shall be covered with one-half inch (1/2") Type X gypsum, or a material of equivalent strength, cut to overlap the hole on all sides by at least six inches (6"). Covers for both floor and wall holes shall be securely attached.
- B. Occupying or Renting Vacant Buildings. After a notice of violation, order or emergency order is issued in accordance with Section 22.206.220 or Section 22.206.260, no one shall use, occupy, rent, cause, suffer, or allow any person to use or occupy or rent any vacant building unless a certificate of compliance has been issued in accordance with Section 22.206.250. This section does not prohibit or make unlawful the occupancy of a detached single-family dwelling by the owner if no rooms in the dwelling are rented or leased.
 - C. Compliance With Other Provisions of this Code and Other Codes. Buildings subject to regulation pursuant to the Downtown Housing Maintenance Ordinance, SMC Chapter 22.220, may not be vacated or closed to entry except as permitted by that ordinance.  - E. Restoration of Service. If water, electricity or gas service has been terminated or disconnected pursuant to 22.206.200 D, no one except the utility may take any action to restore the service, including an owner or other private party requesting restoration of service until a certificate of compliance has been issued in accordance with Section 22.206.250, or upon written notification by the Director that service may be restored. It shall be unlawful for anyone other than the Director of Seattle Public Utilities, Superintendent of City Light, or the Washington Natural Gas Co. or their duly authorized representatives, to restore or reconnect any water, electricity, or gas service terminated or disconnected as a result of a Director's notice issued pursuant to Section 22.206.200 D.
 - F. Inspection of Vacant Buildings.
 1. When the Director has reason to believe that a building is vacant, the Director may inspect the building and the premises. If the Director identifies a violation of the minimum standards for vacant buildings, a Notice of Violation shall be issued pursuant to SMC Section 22.206.220. Thereafter the premises shall be inspected quarterly to determine whether the building and its accessory structures are vacant and closed to entry in conformance with the standards of this Code.
 2. Quarterly inspections shall cease at the earliest of the following:
 - a. When the building is repaired pursuant to the requirements of this Code and reoccupied;
 - b. When the building is repaired pursuant to the requirements of this Code and has subsequently been subject to three (3) consecutive quarterly inspections without further violation; or
 - c. When the building and any accessory structures have been demolished.
 3. A building or structure accessory thereto that remains vacant and open to entry after the closure date in a Director's Order or Notice of Violation is found and declared to be a public nuisance. The Director is hereby authorized to summarily close the building to unauthorized entry. The costs of closure shall be collected from the owner in the manner provided by law.
 4. Quarterly inspection charges shall be assessed and collected as a fee under the Permit Fee Ordinance (SMC Chapters 22.900A—22.900T).

22.206.210 Removing posted notices.

Only the Director may remove or order the removal of any notice, complaint or order posted in accordance with this chapter prior to issuance of a certificate of compliance by the Director.

Alternative Materials and Design, Variances and Enforcement

22.206.215 Alternate materials and design.

- A. The provisions of this Code are not intended to prevent the use of any material not specifically prescribed by this Code, provided any alternate has been approved and its use authorized by the Director. The Director may approve any such alternate provided he or she finds that it complies with the purpose and intent of this Code and is of at least equivalent suitability, strength, effectiveness, fire resistance, durability, safety and sanitation as that prescribed by this Code.
- B. Whenever there are practical difficulties involved in carrying out the provisions of this Code, the Director may grant modifications for individual cases, provided he or she first finds that a special individual reason makes compliance with the strict let-

ter of this Code impractical and that the modification is in conformity with the intent and purpose of this Code and that such modification does not lessen any fire protection or safety requirements or any degree of structural integrity. The details of any action granting modifications shall be recorded and entered in the files of the Director.

22.206.217 Variances

- A. The Director may grant a variance from the standards and requirements of SMC Sections 22.206.010 through 22.206.140 and Section 22.206.200 if the Director determines that all of the following conditions or circumstances exist:
 1. Unusual conditions exist at the subject property which were not created by the current owner, tenant or occupant;
 2. The requested variance does not go beyond the minimum necessary to afford relief;
 3. The granting of the variance will not be materially detrimental to the public welfare or injurious to property or improvements in the vicinity;
 4. The literal interpretation and strict application of the applicable provisions or requirements of this Code would cause undue hardship or practical difficulties; and
 5. The requested variance would be consistent with the spirit and purpose of this Code.
- B. Application for and Processing of Variances.
 1. The current owner or tenant of a building may request a variance on a form provided by the Department. The request must describe the standards or requirements of SMC Sections 22.206.010 through 22.206.140 or of SMC Section 22.206.200 from which a variance is requested and explain how the requested variance complies with subsections (1) through (5) of SMC Section 22.202.217 A. A variance request must contain the address of the property, the name and address of all persons having an interest in the property, and the names and addresses of all parties affected by the condition or conditions for which a variance is requested, including all property owners and occupants. The Director shall establish by Rule submittal requirements for a variance request.
 2. Upon receipt of a variance request, the Director shall contact the requestor to arrange the date and time of an inspection to view the conditions for which the variance is sought and to ascertain compliance with subsections (1) through (5) of SMC Section 22.202.217 A. The inspection shall be conducted within thirty (30) days after a variance request is received, unless a later inspection is agreed to by the requestor. The Director also shall notify in writing all other persons identified in the variance request of the request and of the opportunity to submit information or comments on the request. Comments about a variance request must be received by the Department within twenty (20) days after the date of mailing the notification of a variance request.
- C. The Director shall decide whether to grant a variance within thirty (30) days after the inspection conducted pursuant to subsection B. When a variance is authorized, conditions or mitigating measures may be required as deemed necessary to ensure continued compliance with subsections (1) through (5) of SMC Section 22.202.217 A or to otherwise carry out the spirit and purpose of this Code. The variance decision shall be mailed to the requestor and to all affected parties identified in the written request for a variance and other interested parties who submitted information or comments about a variance request.
- D. Records. The Director shall maintain a record in Department files of all variance requests and decisions. The record shall include findings regarding compliance with the conditions of subsections (1) through (5) of SMC Section 22.202.217 A and any conditions or mitigating measures required by the Director in granting the variance.
- E. Appeal of Variance Decision. Any person with an ownership interest in a building or premises for which a variance request has been made, or any tenant of such property, may appeal the Director's decision on the variance by filing an appeal with the Hearing Examiner.
 1. Variance appeals shall be filed with the Hearing Examiner, with the applicable filing fee specified in SMC Section 3.02.125, by five (5:00) p.m. of the twentieth day following the mailing of the Director's decision. When the last day of the appeal period so computed is a Saturday, Sunday or federal or City holiday, the period shall run until five (5:00) p.m. on the next business day. An appeal shall be deemed filed when it is actually received by the Hearing Examiner's Office. The Hearing Examiner's time and date stamp shall be prima facie evidence of filing.
 2. An appeal shall be in writing and shall state:
 - a. The name and address of the appellant;
 - b. The ownership or other interest of the appellant in the building or premises that is the subject of the variance decision;
 - c. The names and addresses of all tenants or other occupants of the building or premises and, if the appellant is an owner of the property, of all other persons with an ownership or other interest in the building or premises;
 - d. The specific objections to the Director's decision;

- e. The relief sought.

The Director's decision shall be affirmed unless the Hearing Examiner finds the Director's decision to be clearly erroneous. The person requesting the variance shall have the burden of proving, by preponderance of the evidence, all elements related to justifying the variance.
- 5. Within thirty (30) days after the hearing is conducted, the Hearing Examiner shall issued a decision on a variance appeal. The Hearing Examiner's decision shall be mailed to the appellant, the Director and to other affected parties on the day it is issued.
- 6. The Hearing Examiner's decision shall be final and conclusive unless the Hearing Examiner retains jurisdiction or the decision is reversed or remanded on judicial appeal. 22.206.220 Notice of violation.

- A. The Director shall inspect any building or premises which the Director has reason to believe may not be in compliance with the standards and requirements of SMC Sections 22.206.010 through 22.206.170, and SMC Section 22.206.200. If the standards and requirements of SMC Sections 22.206.010 through 22.206.120, Sections 22.206.150 through 22.206.170 or of Section 22.206.200 have not been met, the Director shall serve a Notice of Violation on the owner and/or other person responsible for the violation pursuant to this Section. The Notice of Violation shall:
 - 1. Identify each violation of the standards and requirements of this Code and the corrective action necessary to bring the building and premises into compliance; and
 - 2. Specify a time for compliance.
- B. No Notice of Violation shall be issued as a result of an advisory inspection performed pursuant to SMC Section 22.202.035 unless the building is in condominium or cooperative ownership.
- C. After a Notice of Violation or Order has been filed with the King County Department of Records and Elections pursuant to SMC Section 22.206.220 J, a Notice of Violation or Order for the same violation need not be served upon a new owner. If a new Notice of Violation is not issued and served upon a new owner, the Director shall grant the new owner the same number of days to comply with the Notice of Violation as was given the previous owner in the Notice of Violation. The compliance period shall be the number of days between the date of issuance of the Notice of Violation and the date for compliance stated in the text of the Notice. The compliance period for the new owner shall begin on the date that the conveyance is completed.
- D. The Notice shall be served upon the owner, tenant or other person responsible for the condition by personal service, registered mail, or certified mail with return receipt requested, at the person's last known address. If the address of the responsible person is unknown and cannot be found after a reasonable search, the Notice may be served by publishing it once each week for two (2) consecutive weeks in the legal newspaper for the City, and by mailing to the person a copy of the Notice or Order by first class mail to the last known address, or if unknown, to the address of the property subject to the Notice of Violation and by posting a copy of the Notice in a conspicuous place on the property. If a Notice of Violation is directed to a tenant or other person responsible for the violation who is not the owner, a copy of the Notice shall be sent to the owner of the property.
- E. In addition, a copy of the Notice or Order may be posted at a conspicuous place on the property.
- F. The Director may order that any other work in the building or on the premises be stopped until the violations in the Notice have been corrected if, in the Director's opinion, the continuation of other work will impair the owner's ability to comply with this Code in a timely manner.
- G. Nothing herein shall hinder or limit in any manner the Director's authority or ability to bring an action pursuant to SMC Chapter 22.208 to abate a nuisance or to issue an emergency order pursuant to SMC Section 22.206.260.
- H. In addition to serving and posting the Notice or Order, the Director may mail or cause to be delivered to all housing and/or commercial rental units in the building a notice which informs each occupant of the Notice of Violation and the relevant requirements and procedures.
- I. In calculating a time for compliance, the Director shall consider:
 - 1. The type and degree of violations found;
 - 2. Applicable time limits for correction of similar violations provided in the State Landlord-Tenant Act, RCW Chapter 59.18;
 - 3. The responsible party's demonstrated intent to repair, demolish, or vacate and close the build-

ing. Evidence of the responsible party's intent may include, but is not limited to:

- a. A signed construction contract with a licensed contractor to perform the required work by a specific date and for reasonable compensation;
 - b. Proof of the availability of financial resources to perform the required work with such funds placed in a segregated account to be used only for required repairs or a binding commitment from an established lending institution providing sufficient funds to complete the required repairs;
 - c. The filing of a complete application for any permit required to perform the required work and evidence of payment of any required fees;
4. The procedural requirements for obtaining a permit to correct the violations;
 5. The complexity of the repairs, seasonal considerations, construction requirements and the legal prerogatives of tenants; and
 6. Circumstances beyond the control of the responsible person.
- J. Unless a request for review by the Director is made in accordance with SMC Section 22.206.230, a Notice of Violation shall be the decision of the Director. A copy of the Notice of Violation shall be filed with the King County Department of Records and Elections. The Director is not required to file a copy of the Notice of Violation if the Notice is directed only to a tenant or tenants.

22.206.230 Review by the Director.

- A. Any party affected by a Notice of Violation issued pursuant to SMC Section 22.206.220 may request a review of the Notice by the Director. Such a request must be made in writing within ten (10) days after service of the Notice. When the last day of the period so computed is a Saturday, Sunday, federal or City holiday, the period shall run until five p.m. (5:00 p.m.) of the next business day.
- B. Within seven (7) days of receipt of a review request the Director shall notify by mail the person requesting the review, any persons served the Notice of Violation, and any person who has requested notice of the review, of the request for a review and the deadline for submitting additional information. Additional information shall be submitted to the Director no later than fifteen (15) days after the notice of a request for a review is mailed, unless otherwise agreed by the person requesting the review.
- C. The Director or a representative of the Director who is familiar with the case and the applicable ordinances will review any additional information that is submitted and the basis for issuance of the

Notice of Violation. The reviewer may request clarification of the information received and a site visit. After the review, the Director shall:

1. Sustain the Notice of Violation; or
 2. Withdraw the Notice of Violation; or
 3. Continue the review to a date certain for receipt of additional information; or
 4. Amend the Notice of Violation.
- D. The Director shall issue a decision within fifteen (15) days after the deadline for submittal of additional information. When the decision affects only a tenant or tenants, the Director is not required to file the decision with the King County Department of Records and Elections.

22.206.240 Extension of compliance date.

- A. The Director may extend the compliance date if required repairs have been commenced and, in the Director's opinion, are progressing at a satisfactory rate. Extensions in excess of ninety (90) days may not be granted unless the need therefor is established in a Director's review.
- B. Vacating and Closing of Historic Buildings or Structures. The compliance date for historic buildings and structures that are closed to entry pursuant to Section 22.206.200 of this Code, during the notice of violation compliance period, shall be extended for as long as the building or structure is maintained in compliance with the standards of Section 22.206.200 of this Code.

22.206.250 Compliance.

- A. Compliance with a Notice, Order or decision issued pursuant to this Code shall be the responsibility of each person named in and served with the Notice, Order or decision.
- B. Until a property owner or other person named in a Notice, Order or decision demonstrates, and the Director confirms by inspection, that the obligations imposed by the standards established in this Code have been fulfilled, there shall be a rebuttable presumption affecting the burden of proof at trial that the violations listed in such Notice, Order or decision have not been corrected, provided, that there shall be no rebuttable presumption in any criminal prosecution under SMC Section 22.206.290. When a person named in a Notice, Order or decision demonstrates, and the Director confirms by inspection, compliance with such Notice, Order or decision and the standards established in this Code, the Director shall issue a certificate of compliance certifying that, as of the date of inspection, the violations cited in the Notice, Order or decision have been corrected.
- C. On issuance of a certificate of compliance, the Di-

rector warrants only that the violations listed in the Notice, Order or decision have been corrected as required by this Code. The Director makes no representation concerning other conditions in buildings, or of any equipment therein that is not listed in the Notice of Violation. The Director shall not be responsible for any injury, damage, death or other loss of any kind sustained by any person arising out of any condition of the building, structure or equipment.

22.206.260 Emergency order.

- A. Whenever the Director finds that any building, housing unit or premises is an imminent threat to the health or safety of the occupants or the public, an emergency order may be issued directing that the building, housing unit or premises be restored to a condition of safety and specifying the time for compliance. In the alternative, the order may require that the building, housing unit or premises be immediately vacated and closed to entry.
- B. The emergency order shall be posted on the building, housing unit or premises, and shall be mailed by regular first class mail to the last known address of the property owners and, if applicable, to the occupants. All property owners and occupants of such building, housing unit or premises are deemed to have notice of any emergency order so posted and mailed.
- C. It shall be unlawful for any person to fail to comply with an emergency order issued by the Director requiring that the building, housing unit or premises be restored to a condition of safety by a specified time.
- D. It shall be unlawful for any person to use or occupy, or to cause or permit any person to use or occupy the building, housing unit or premises after the date provided in an emergency order requiring the building, housing unit or premises to be vacated and closed until the Director certifies that the conditions described in the emergency order have been corrected and the building, housing unit or premises have been restored to a safe condition.
- E. Any building, housing unit or premises subject to an emergency order that is not repaired within the time specified in the order is found and declared to be a public nuisance that the Director is hereby authorized to abate summarily by such means and with such assistance as may be available to the Director, and the costs thereof shall be recovered by the Director in the manner provided by law.
- F. 1. Any tenant who is required to vacate and actually vacates a housing unit as a result of an emergency order shall be paid relocation assistance pursuant to and contingent upon compliance with the provisions of subsections G and H of SMC Section 22.206.260 and SMC Section 22.206.265 at the rate of Two Thousand Eight Hundred Dollars (\$2,800.00) for each tenant household with income during the preceding twelve (12) months at or below fifty percent (50%) of the median family income for the Seattle-Bellevue-Everett Primary Metropolitan Statistical Area, adjusted for family size ("median family income"), and two (2) months' rent for each tenant household with income during the preceding twelve (12) months above fifty percent (50%) of the median family income, provided all of the following conditions are met:
 - a. The emergency order requires the housing unit occupied by the tenant to be vacated and closed;
 - b. The conditions that create the emergency arise from circumstances within the control of the property owner, including, but not limited to, conditions arising from failure to perform maintenance on the premises, affirmative acts of the property owner, or termination of water or utility services provided by the property owner;
 - c. The conditions that create the emergency do not arise from an act of God or from the affirmative actions of a person or persons beyond the control of the property owner; and
 - d. The conditions that create the emergency are not caused solely by the actions of the tenant.
2. The amount of relocation assistance to be paid pursuant to subsection F1 of SMC Section 22.206.260 to a tenant household with income during the preceding twelve (12) months at or below fifty percent (50%) of the median family income may be adjusted annually by the percentage change in the housing component of the Consumer Price Index for All Urban Consumers (CPI-U) for the Seattle-Bellevue-Everett Primary Metropolitan Statistical Area as published by the United States Department of Labor, Bureau of Labor Statistics. Such adjustments are authorized to be made by Director's Rule.
- G. The property owner is required to deposit with the Director the relocation assistance provided in subsection F in a form acceptable to the Director no later than the deadline specified in the emergency order to vacate and close the building, housing unit or premises.
- H. No relocation assistance may be paid pursuant to subsection F1 of SMC Section 22.206.260 to tenants with household incomes during the preceding twelve (12) months greater than fifty percent (50%) of the median family income unless the property owner has deposited the required assistance pursuant to subsection G of SMC Section 22.206.260.

22.206.265 Emergency relocation assistance payments.

- A. A tenant subject to an emergency order to vacate and close may request an emergency relocation assistance payment from the Emergency Relocation Assistance Account. The Director may establish by Rule application requirements for this Section.

 - a. Submit a completed and signed request for an emergency relocation assistance payment on an application form provided by the Director along with documentation sufficient to establish tenant household income for the preceding twelve (12) months and any additional information required by the Director;
 - b. Certify, in a manner approved by the Director, that the tenant has vacated a building, housing unit or premises pursuant to an emergency order to vacate and close; and
 - c. Complete the application requirements contained in this subsection within seven (7) days of the date set for compliance with an emergency order to vacate and close a building, housing unit or premises.
 2. To apply for emergency relocation assistance, a tenant household with a household income during the preceding twelve (12) months greater than fifty percent (50%) of the median family income must:
 - a. Submit a completed and signed request for an emergency relocation assistance payment on an application form provided by the Director along with documentation sufficient to establish the monthly rental amount of the building, housing unit or premises under the existing rental agreement for the most recent rental period and that the household income for the preceding twelve (12) months is greater than fifty percent (50%) of the median family income as well as any additional information required by the Director;
 - b. Certify, in a manner approved by the Director, that the tenant has vacated a building, housing unit or premises pursuant to an emergency order to vacate and close; and
 - c. Complete the application requirements contained in this subsection within seven (7) days of the date set for compliance with an emergency order to vacate and close a building, housing unit or premises.
- B. A relocation assistance payment deposited with the Director by a property owner pursuant to subsection G of SMC Section 22.206.260 shall be paid to the tenant on whose behalf the deposit was made within three (3) business days after receipt by the Director of both the funds for relocation assistance and a completed and signed application for an emergency relocation assistance payment from the tenant.
- C. If a tenant with a household income during the preceding twelve (12) months at or below fifty percent (50%) of the median family income satisfactorily completes the application process described in subsection A1 and the property owner fails to deposit the relocation assistance as required by subsection G of SMC Section 22.206.260, the Director may pay to such tenant from the Emergency Relocation Assistance Account, subject to the limitation established in subsection A of SMC Section 22.202.060, the full amount of relocation assistance that such tenant would have received had the property owner deposited the relocation assistance as required.
- D. If a tenant has been paid relocation assistance from the Emergency Relocation Assistance Account pursuant to subsection C and is subsequently paid the relocation assistance provided by subsections F and G of SMC Sections 22.206.260 directly by the property owner, the tenant must reimburse The City of Seattle the full amount of relocation assistance paid from the Emergency Relocation Assistance Account within three (3) business days of the receipt of the relocation assistance payment from the property owner.
- E. If a tenant either fails to submit to the Director a completed and signed application for relocation assistance by the deadline established in subsection A or fails to negotiate a check or warrant for emergency relocation assistance within sixty (60) days of the date of the check or warrant, the Director shall refund to the property owner the full amount of relocation assistance deposited on behalf of a tenant pursuant to SMC Section 22.206.260 within seven (7) business days after such failure by the tenant.
- F. Any check or warrant for relocation assistance from the Emergency Relocation Assistance Account that is not presented for payment within sixty (60) days may not be honored.

22.206.270 Violations.

- A. Any failure to comply with a notice of violation, decision or order shall be a violation of this Code.
- B. It shall be a violation of this Code for any person to obstruct, impede, or interfere with any attempt to (1) correct a violation, (2) comply with any notice of violation, decision, emergency order, or stop work order, (3) inspect a building or premises pursuant to

the authority of an inspection warrant issued by any court, or (4) inspect a housing unit after consent to inspect is given by a tenant of the housing unit.

- C. Any person who does not comply with an emergency order issued by the Director shall be in violation of this Code, regardless of intent, knowledge or mental state.
- D. Any person who fails to pay relocation assistance required by Section 22.206.260 F shall be in violation of this Code.

22.206.280 Civil penalty.

- A. In addition to any other sanction or remedial procedure that may be available, and except for violations of SMC Section 22.206.180, any person violating or failing to comply with any requirement of this Code shall be subject to a cumulative civil penalty in the amount of:
 - 1. Fifteen Dollars (\$15.00) per day for each housing unit in violation, and Fifteen Dollars (\$15.00) per day for violations in the common area or on the premises surrounding the building or structure, from the date set for compliance until the person complies with the requirements of this Code; or
 - 2. Seventy-five Dollars (\$75.00) per day for each building in violation of the standards contained in SMC Section 22.206.200, from the date set for compliance until the person complies with the requirements of that section.
 - 3. One Hundred Dollars (\$100.00) per day from the date a tenant fails to reimburse The City of Seattle for emergency relocation assistance as required by subsection D of SMC Section 22.206.265 until the date the relocation assistance is repaid to The City of Seattle.
 - 4. One Hundred Dollars (\$100.00) per day for any person who provides false or misleading information to the Director and as a result of the false or misleading information is paid emergency relocation assistance by The City of Seattle for which the person would not otherwise be eligible, from the date the person receives the emergency relocation assistance until the date the relocation assistance is repaid to The City of Seattle.
- B. Any person who does not comply with an emergency order issued by the Director pursuant to this SMC Chapter 22.206 shall be subject to a cumulative civil penalty in the amount of One Hundred Dollars (\$100.00) per day from the date set for compliance until the Director certifies that the requirements of the emergency order are fully complied with.
- C. Any property owner who fails to deposit relocation assistance as required by subsections F and G of SMC Section 22.206.260 shall be subject to a cu-

mulative civil penalty of:

- 1. For each tenant with a household income during the preceding twelve (12) months at or below fifty percent (50%) of the median family income for whom the property owner did not deposit relocation assistance as required by subsection G of SMC Section 22.206.260:
 - a. Three Thousand Three Hundred Dollars (\$3,300.00), plus
 - b. One Hundred Dollars (\$100.00) per day from the date such deposit by the property owner is required until the date the property owner pays to The City the penalty provided for in subsection C1a; or
- 2. For each tenant with a household income during the preceding twelve (12) months greater than fifty percent (50%) of the median family income for whom the property owner did not deposit relocation assistance as required by subsection G of SMC Section 22.206.260, One Hundred Dollars (\$100.00) per day from the date such deposit is required until the date on which the relocation assistance required by subsections F and G of SMC Section 22.206.260 is deposited with The City of Seattle.
- D. In addition to any other sanction or remedial procedure that may be available, any owner of housing units who violates subsection C6 of SMC Section 22.206.160 shall be subject to a civil penalty of not more than Two Thousand Five Hundred Dollars (\$2,500.00).
- E. In addition to any other sanction or remedial procedure that may be available, anyone who obstructs, impedes or interferes with an attempt to inspect a building or premises pursuant to the authority of an inspection warrant issued by any court or an attempt to inspect a housing unit after consent to inspect is given by a tenant of the housing unit shall be subject to a civil penalty of not more than One Thousand Dollars (\$1,000.00).
- F. Any person who violates or fails to comply with subsections A5, A6 or A7 of SMC Section 22.206.180 shall be subject to a cumulative civil penalty in an amount not less than One Hundred Dollars (\$100.00) nor more than Three Hundred Dollars (\$300.00) per violation. Each day that a separate action or inaction occurs that is a violation of subsections A5, A6 or A7 of SMC Section 22.206.180 constitutes a separate violation.
- G. The Director shall notify the City Attorney in writing of the name of any person subject to a civil penalty for violations of this Code, except that for violations of SMC Section 22.206.180, the Chief of Police shall notify the City Attorney. The City Attorney shall take appropriate action to collect the penalty. In any civil action for a penalty, the City has the burden of proving by a preponderance of the evidence that a

violation exists or existed and, for violations of sections other than SMC Section 22.206.180, that the violation was not corrected by the date established by the Director in a notice, order or decision. The issuance of a notice of violation or an order following a review by the Director is not itself evidence that a violation exists.

- H. The violator may show, in mitigation of liability, that correction of the violation was commenced promptly upon receipt of notice, but that compliance within the time specified was prevented by an inability to obtain necessary materials or labor, inability to gain access to the subject building, or other condition or circumstance beyond the control of the violator, and upon a showing of the above described conditions, the court may enter judgment for less than the maximum penalty.

22.206.290 Criminal penalties.

- A. Anyone who violates or fails to comply with the requirements of Sections 22.206.180 or 22.206.190 shall, upon conviction:
1. Be fined in a sum not exceeding Five Thousand Dollars (\$5,000); and/or
 2. Be imprisoned for a term not exceeding one (1) year.
- B. A fine not to exceed One Thousand Dollars (\$1,000.00) per violation and/or a term of imprisonment not exceeding thirty (30) days may be imposed:
1. For violations of Section 22.206.210;
 2. For violations of Section 22.206.260, where the person charged has had a civil judgment under Section 22.206.280 or any of its predecessors rendered against him or her during the past five (5) years;
 3. For any pattern of wilful, intentional, or bad-faith failure or refusal to comply with the standards or requirements of this Code.
- C. Each day that anyone shall continue to violate or fail to comply with any of the foregoing provisions shall be considered a separate offense.

22.206.295 Private right of action.

In addition to any other sanction or remedial procedure that may be available, any property owner who does not deposit emergency relocation assistance with The City of Seattle for a tenant pursuant to subsections F and G of SMC Section 22.206.260 shall be subject to a private civil action by such tenant to recover the actual amount of relocation assistance payable to the tenant but not deposited with The City of Seattle by the property owner, attorney fees and court costs.

22.206.300 Receivership and other equitable remedies.

- A. The Director may seek legal or equitable relief in Superior Court to enjoin any acts or practices and

abate any condition which constitutes or will constitute a violation of this Code when civil or criminal penalties are inadequate to effect compliance.

- B. The Director, or three (3) or more tenants in the subject building, unless the building has less than three (3) tenants, in which case, all tenants, may seek to have a receiver appointed in Superior Court to take possession of and manage a property when it appears that the owner or other person responsible for the management of the property has failed to comply with the responsibilities imposed by this Code, the property is unfit for human habitation, or otherwise constitutes a menace or hazard to the safety or health of the occupants or to the public in the judgment of the Court.
- C. The receiver shall have the authority, under control of the Court, to take and keep possession of the property, to lease the property, receive rents, collect debts, make expenditures for repairs, enter into contracts and generally perform such acts respecting the property as the Court may authorize, and for such term certain as the Court may require.
- D. The City may not be eligible to be designated as a receiver.

22.206.305 Tenant's private right of action.

Nothing in this Code is intended to affect or limit a tenant's right to pursue a private right of action pursuant to Chapter 59.18 RCW for any violation of Chapter 59.18 RCW for which that chapter provides a private right of action. When an owner commits an act prohibited by SMC Sections 22.206.180 A1, 22.206.180 A2, or 22.206.180 A7, a tenant has a private right of action against the owner for actual damages caused by the prohibited act. To the extent that actual damages are unliquidated or difficult to prove, a court may award liquidated damages of up to One Thousand Dollars (\$1,000.00) instead of actual damages. Such damages when awarded are to be on a per incident, rather than a per tenant basis. The prevailing party in any such action may recover costs of the suit and attorney fees.

22.206.310 Abatement of nuisances.

Any building or structure, or the premises on which the building or structure is located, in which violations of this chapter remain uncorrected after a civil penalty has been imposed pursuant to SMC Section 22.206.280 and which violations create a fire hazard or a menace to the public health, safety or welfare of the public, are hereby declared public nuisances and may be abated. Upon initiation by the Director and upon a finding by resolution of the City Council after public hearing that a particular building, structure or premises is a public nuisance, the Director is authorized to go onto private property to abate such a nuisance and to utilize such funds as may be available for the costs of performing the abatement. The costs of the abatement shall be

collected from the owner and/or other person responsible for the condition in such manner as may be provided by law.

- B. Procedure at Hearing. The Hearing Examiner shall hold an informal hearing, which shall not be governed by the Rules of Evidence. The person cited may present witnesses, but witnesses may not be

compelled to attend. A representative from DCLU may also be present and may present additional information, but attendance by a representative from DCLU is not required.

- C. Disposition. The Hearing Examiner shall determine whether the person's explanation justifies reduction of the monetary penalty; however, the monetary penalty may not be reduced unless DCLU affirms or certifies that the violation has been corrected prior to the mitigation hearing. Factors that may be considered in whether to reduce the penalty include whether the violation was caused by the act, neglect, or abuse of another; or whether correction of the violation was commenced promptly prior to citation but that full compliance was prevented by a condition or circumstance beyond the control of the person cited.
- D. Entry of Order. After hearing the explanation of the person cited and any other information presented at the hearing, the Hearing Examiner shall enter an order finding that the person cited committed the violation and assessing a monetary penalty in an amount determined pursuant to this section. The Hearing Examiner's decision is the final decision of the City on this matter.

22.207.012 Contested case hearing.

- A. Date and Notice. If a person requests a contested case hearing, the hearing shall be held within sixty (60) days after the written response to the citation requesting such hearing is received.
- B. Hearing. Contested case hearings shall be conducted pursuant to the procedures for hearing contested cases contained in Section 3.02.090 and the rules adopted by the Hearing Examiner for hearing contested cases, except as modified by this section. Three issues heard at the hearing shall be limited to those raised in writing in the response to the citation and that are within the jurisdiction of the Hearing Examiner. The Hearing Examiner may issue subpoenas for the attendance of witnesses and the production of documents.
- C. Sufficiency. No citation shall be deemed insufficient for failure to contain a detailed statement of the facts constituting the specific violation which the person cited is alleged to have committed or by reason of defects or imperfections, provided such lack of detail, or defects or imperfections do not prejudice substantial rights of the person cited.
- D. Amendment of Citation. A citation may be amended prior to the conclusion of the hearing to conform to the evidence presented if substantial rights of the person cited are not thereby prejudiced.
- E. Evidence at Hearing. The certified statement or declaration authorized by RCW 9A.72.085 submitted by an inspector shall be prima facie evidence that a violation occurred and that the person

cited is responsible. The certified statement or declaration of the inspector authorized under RCW 9A.72.085 and any other evidence accompanying the report shall be admissible without further evidentiary foundation. Any certifications or declarations authorized under RCW 9A.72.085 shall also be admissible without further evidentiary foundation. The person cited may rebut the DCLU evidence and establish that the cited violation(s) did not occur or that the person contesting the citation is not responsible for the violation.

- F. Disposition. If the citation is sustained at the hearing, the Hearing Examiner shall enter an order finding that the person cited committed the violation. If the violation remains uncorrected, the Hearing Examiner shall impose the applicable penalty. The Hearing Examiner may reduce the monetary penalty in accordance with the mitigation provisions in Section 22.207.010 if the violation has been corrected. If the Hearing Examiner determines that the violation did not occur, the Hearing Examiner shall enter an order dismissing the citation.
- G. Appeal. The Hearing Examiner's decision is the final decision of the City. Any judicial review must be commenced within twenty-one (21) days of issuance of the Hearing Examiner's decision in accordance with RCW 36.70C.040.

22.207.014 Failure to appear for hearing.

Failure to appear for a requested hearing will result in an order being entered finding that the person cited committed the violation stated in the citation and assessing the penalty specified in the citation. For good cause shown and upon terms the Hearing Examiner deems just, the Hearing Examiner may set aside an order entered upon a failure to appear.

22.207.016 Penalties.

- A. First Violation. The first time that a person or entity is found to have violated one of the provisions referenced in Section 22.207.002 after the effective date of the ordinance codified in this chapter, the person or entity shall be subject to a penalty of One Hundred Fifty Dollars (\$150).
- B. Second and Subsequent Violations. Any subsequent time that a person or entity is found to have violated one (1) of the provisions referenced in Section 22.207.002 within a five (5) year period after the first violation, the person or entity shall be subject to a penalty of Five Hundred Dollars (\$500) for each such violation.

22.207.018 Alternative criminal penalty.

Any person who violates or fails to comply with any of the provisions referenced in Section 22.207.002 shall be guilty of a misdemeanor subject to the provisions of Chapters 12A.02 and 12A.04, except that absolute li-

ability shall be imposed for such a violation or failure to comply and none of the mental states described in Section 12A.04.030 need be proved. The Director may request the City Attorney to prosecute such violations criminally as an alternative to the citation procedure outlined in this chapter.

22.207.020 Abatement.

Any property on which there continues to be a violation of any of the provisions referenced in Section 22.207.002 after enforcement action taken pursuant to this chapter is hereby declared a nuisance and subject to abatement by the City in the manner authorized by law.

22.207.022 Collection of judgments.

If the person cited fails to pay a penalty imposed pursuant to this chapter, the penalty may be referred to a collection agency. The cost to the City for the collection services will be assessed as costs, at the rate agreed to between the City and the collection agency, and added to the judgment. Alternatively, the City may pursue collection in any other manner allowed by law.

22.207.024 Each day a separate violation.

Each day a person or entity violates or fails to comply with a provision referenced in Section 22.207.002 may be considered a separate violation for which a citation may be issued.

22.207.026 Additional relief.

The Director may seek legal or equitable relief at any time to enjoin any acts or practices that violate the provisions referenced in Section 22.207.002 or abate any condition that constitutes a nuisance.
